To Whom it May Concern:

On behalf of Calvary Chapel Vero Beach, I would like to offer a letter of recommendation for Pinnacle Construction Inc, and specifically its President, Pete Clements, for the work performed on two major projects at our Vero Beach campus.

Pinnacle served as the general contractor for the building of our new sanctuary and for the remodel of the previous sanctuary. All of the work was done with the highest level of workmanship, attention to detail and quality along with a focus on professionalism. Both jobs were performed under a very tight schedule and tight budget and I am happy to report that both projects were completed on time and within budget. Truly a remarkable accomplishment!

The finish work was top notch and all the subs were clean, courteous, and professional. It was a pleasure to work with them all. We would not hesitate to engage Pinnacle again when the occasion arises.

Sincerely,
Calvary Chapel Vero Beach, Inc.
